Suki Tea An award winning tea company based in Belfast. We have selected a range of what we believe are their best loose leaf products which we serve in their own little pot. All of our milk and cream comes fresh from Holstein cows, reared on Shetland, and is supplied by Shetland Farm Dairies.

Fair Trade Belfast Brew Irish Breakfast Tea 60% Assam, 40% Tanzania. Coppery leaf with russet colored tips. A traditional style tea with a familiar malty and refreshing taste.

Organic Gunpowder Green Tea One of the most remarkable green China teas named 'Gunpowder' because of the tightly rolled leaves, which resemble lead shot. It carries a hint of sweetness with an original, dry and smooth taste.

Red Berry Fruit Tea A tisane of elderberries, blackberries, strawberries, raspberries, apple, rose hip peel and hibiscus blossoms. Absolutely bursting with fresh, rich, berry taste. Perfect served hot or as an iced tea.

Whole Peppermint Tea Quite possibly the best peppermint tea in the world. Whole peppermint leaves create an incredibly fresh, purifying cup. Tingly, minty and fresh.
